The request for appeal shall state the exact nature of the complaint. The County agrees to have an annual independent audit in accordance with North Carolina General Statutes, North Carolina Local Government Commission requirements, Division of Aging and Adult Services Program Audit Guide for Aging Services and Federal Office of Budget and Management (OMB) Uniform Guidance 2 CFR Part 200.

Community service providers, as specified in paragraph one (1), who are not units of local government or otherwise subject to the audit and other reporting requirements of the Local Government Commission are subject to audit and fiscal reporting requirements, as stated in NC General Statute 143C-6-22 and 23 and OMB Uniform Guidance CFR 2 Part 200, where applicable. Applicable community service providers must send a copy of their year-end financial statements, and any required audit, to the Area Agency on Aging. Home and Community Care Block Grant providers are not required to submit Activities and Accomplishments Reports. For-profit corporations are not subject to the requirements of OMB Uniform Guidance 2 CFR Part 200, but are subject to NC General Statute 143C-6-22 and 23 and Yellow Book audit requirements, where applicable.

Federal funds may not be used to pay for a Single or Yellow Book audit unless it is a federal requirement. State funds will not be used to pay for a Single or Yellow Book audit if the provider receives less than \$500,000 in state funds. The Department of Health and Human Services will provide confirmation of federal and state expenditures at the close of the state fiscal year. Information on audit and fiscal reporting requirements in accordance with Administrative Code 09 NCAC 03M can be found at https://www.osbm.nc.gov/stewardship-services/grants/grant-recipients

property of the Area Agency upon termination or completion of the work. Both the Area Agency and the County shall have the right to use same without restriction or limitation and without compensation to the other. For the purposes of this Agreement, "data" includes writings, sound recordings, or other graphic representations, and works of similar nature. No reports or other documents produced in whole or in part under this Agreement shall be the subject of an application for copyright by or on behalf of the County.

- 17. <u>Interest of the Board of Commissioners</u>. The Board of Commissioners covenants that neither the Board of Commissioners nor its agents or employees presently has an interest, nor shall acquire an interest, direct or indirect, which conflicts in any manner or degree with the performance of its service hereunder, or which would prevent, or tend to prevent, the satisfactory performance of the service hereunder in an impartial and unbiased manner.
- 18. Interest of Members of the Area Agency, Lead Regional Organization, and Others. No officer, member or employee of the Area Agency or Lead Regional Organization, and no public official of any local government which is affected in any way by the Project, who exercises any function or responsibilities in the review or approval of the Project or any component part thereof, shall participate in any decisions relating to this Agreement which affects his personal interest or the interest of any corporation, partnership or association in which he is, directly or indirectly, interested; nor shall any such persons have any interest, direct or indirect, in this Agreement or the proceeds arising there from.

- 22. Record Retention and Disposition. All state and local government agencies, nongovernmental entities, and their subrecipients, including applicable vendors, that administer programs funded by federal sources passed through the NC DHHS and its divisions and offices are expected to maintain compliance with the NC DHHS record retention and disposition schedule (https://www.ncdhhs.gov/about/administrative-offices/office-controller/records-retention). In addition, the NC Department of Natural and Cultural Resources has developed a General Records Schedule for Local Government Agencies as well as individual retention and disposition schedules for local government agencies like county social service agencies and

local health departments. Those schedules are posted at https://archives.ncdcr.gov/government/local.

Retention requirements apply to the community service providers funded under this Agreement to provide Home and Community Care Block Grant services. By funding source and state fiscal year, the NC DHHS record retention schedule lists the earliest date that grant records in any format may be destroyed. The State Archives provides information about destroying confidential data and authorized methods of record destruction (paper and electronic) at https://archives.ncdcr.gov/government/records-management-tools/faq#how-can-i-destroy-records.

The NC DHHS record retention schedule is based on federal and state regulations and pertains to the retention of all financial and programmatic records, supporting documents, statistical records, and all other records supporting the expenditure of a federal grant award. Records legally required for ongoing official proceedings, such as outstanding litigation, claims, audits, or other official actions, must be maintained for the duration of that action, notwithstanding the instructions of the NC DHHS record retention and disposition schedule.

In addition to record retention requirements for records in any format, the long-term and/or permanent preservation of electronic records require additional commitment and active management by agencies. The community service provider will comply with all policies, standards, and best practices published by the Division of Aging and Adult Services regarding the creation and management of electronic records.

Home and Community Care Block Grant for Older Adults Outreach Methodology

July 2022 through June 2023

Outreach Methodology to Address the Service Needs of Target Population

Community Service Provider:	Brunswick Senior Resources, Inc.
County:	BRUNSWICK

While all older adults age 60 and over are eligible for services, sec. 305(a)(2)(E) of the Older Americans Act requires programs to target services to older individuals with the greatest economic and social need, (with particular attention to low-income older adults, including low-income minority older adults, older adults with limited English proficiency, and older adults residing in rural areas). The community service provider shall specify how these service needs will be met through the services identified on the Provider Services Summary (DAAS-732). This narrative shall address outreach and service delivery methodologies that will ensure that this target population is adequately served and conform with specific objectives established by the Area Agency on Aging, for providing services to low income minority individuals. Additional pages may be used as necessary.

See attached.	

Home and Community Care Block Grant for Older Adults Outreach Methodology

Brunswick Senior Resources, Inc. operates five Senior Centers of Excellence and two satellite nutrition sites across Brunswick County. The five Centers, located in Southport, Leland, Shallotte, Supply and Calabash, operate five days per week offering weekday Congregate dining. The satellite nutrition sites in Boiling Spring Lakes and Oak Island offer Congregate dining on different days of the week.

Outreach to the senior population in Brunswick County is facilitated through several outlets which include: events and programs at the Senior Centers and Nutrition Sites, a BSRI monthly magazine, "The Coastal Buzz," which is distributed to local physicians, public buildings, and area businesses, the BSRI website and the utilization of social media platforms, i.e.: Facebook and TikTok. The website, as with all BSRI publications, contains information on center and site locations, activity calendars, county wide activities, and directives for accessing services. In addition to publications, BSRI participates in public venues promoting outreach programs to identify and encourage seniors with limited income and limited English proficiency to access services. Staff at all BSRI locations are trained to make seniors feel welcomed and respected, regardless of their racial, cultural or financial status.

The vast majority of new attendees to our centers and nutrition sites continues to be single, female, lower income seniors, with limited family support. For Brunswick County, with over 50,000 residents over the age of 60, it is clear this trend will increase at an expedited rate as more seniors find themselves in need of services and resources.

Meal counts within the Home Delivered Meals program have increased about 15% and Congregate and Nutrition Site meals served have increased by about 13% over the previous year.

July 2022 through June 2023

Home and Community Care Block Grant for Older Adults Outreach Methodology

July 2022 through June 2023

Outreach Methodology to Address the Service Needs of Target Population

Community Service Provider:	Brunswick Transit System, Inc.
•	PPLINGWICK
County:	BRUNSWICK

While all older adults age 60 and over are eligible for services, sec. 305(a)(2)(E) of the Older Americans Act requires programs to target services to older individuals with the greatest economic and social need, (with particular attention to low-income older adults, including low-income minority older adults, older adults with limited English proficiency, and older adults residing in rural areas). The community service provider shall specify how these service needs will be met through the services identified on the Provider Services Summary (DAAS-732). This narrative shall address outreach and service delivery methodologies that will ensure that this target population is adequately served and conform with specific objectives established by the Area Agency on Aging, for providing services to low income minority individuals. Additional pages may be used as necessary.

Home and Community Care Block Grant for Older Adults Outreach Methodology

Brunswick Senior Resources, Inc. operates five Senior Centers of Excellence and two satellite nutrition sites across Brunswick County. The five Centers, located in Southport, Leland, Shallotte, Supply and Calabash, operate five days per week offering weekday Congregate dining. The satellite nutrition sites in Boiling Spring Lakes and Oak Island offer Congregate dining on different days of the week.

Outreach to the senior population in Brunswick County is facilitated through several outlets which include: events and programs at the Senior Centers and Nutrition Sites, a BSRI monthly magazine, "The Coastal Buzz," which is distributed to local physicians, public buildings, and area businesses, the BSRI website and the utilization of social media platforms, i.e.: Facebook and TikTok. The website, as with all BSRI publications, contains information on center and site locations, activity calendars, county wide activities, and directives for accessing services. In addition to publications, BSRI participates in public venues promoting outreach programs to identify and encourage seniors with limited income and limited English proficiency to access services. Staff at all BSRI locations are trained to make seniors feel welcomed and respected, regardless of their racial, cultural or financial status.

The vast majority of new attendees to our centers and nutrition sites continues to be single, female, lower income seniors, with limited family support. For Brunswick County, with over 50,000 residents over the age of 60, it is clear this trend will increase at an expedited rate as more seniors find themselves in need of services and resources.

Meal counts within the Home Delivered Meals program have increased about 15% and Congregate and Nutrition Site meals served have increased by about 13% over the previous year.
