1.4.1 Choice of Law: The validity of this Award Agreement and any of its terms or provisions, as well as the rights and duties of the Parties to this Award Agreement, are governed by the laws of North Carolina. The Grantee, by signing this Award Agreement, agrees and submits, solely for matters concerning this Award Agreement, to the exclusive jurisdiction of the courts of North Carolina and agrees, solely for such purpose, that the exclusive venue for any legal proceedings shall be Wake County, North Carolina. The place of this Award Agreement and all transactions and agreements relating to it, and their situs and forum, shall be Wake County, North Carolina, where all matters, whether sounding in contract or tort, relating to the validity, construction, interpretation, and enforcement shall be determined.

1.4.2 Grantee's Duties: The Grantee shall submit to the Agency the "REQUEST FOR PAYMENT OF APPROPRIATION(S) FROM NORTH CAROLINA GENERAL FUND" form, including the required enclosures.

The Grantee shall provide the services as described in Attachment A, Project Plan/Scope of Work/Description of Services and in accordance with the approved budget in Attachment B. The Grantee may make line-item adjustments of less than ten percent (10%) for budgeted expenditures without prior approval from the Agency, except if the adjustment would exceed the total award amount. For line-item adjustments of ten percent (10%) or more for budgeted expenditures, the Grantee shall submit a written request for approval to the Agency and include a justification for the adjustment. Line-item adjustments requiring approval shall be effective only upon a dually executed amendment between the parties, in accordance with Section 1.4.21 of this Agreement. Amendments executed under this Paragraph shall include the new line-item adjustment(s) (Attachment B) and any changes in the Project Plan/Scope of Work/Description of Services (Attachment A) related to the duties and services affected by the line-item adjustment. An amendment that fails to comply with the requirements of this Paragraph shall not be binding upon the parties. A violation of this Paragraph shall constitute a material breach and shall entitle the non-breaching party to all rights and actions available to it under the law.

1.4.3 Agency Duties: Grants shall be paid at the direction of the Director of State Budget. The total amount paid by the Agency to the Grantee under this Award Agreement is **\$89,046**. Grants of \$100,000 or more to or for the use of the Grantee shall be made in quarterly or monthly payments, in the discretion of the Director of State Budget. Grants of less than \$100,000 may

be made in one single payment. The Agency may provide monitoring and oversight through a combination of periodic e-mails, calls, visits, and review of reports, invoices, and deliverables.

1.4.4 Independent Contractor: The Grantee is and shall be deemed to be an independent contractor in the performance of this Award Agreement and as such shall be wholly responsible for the work to be performed and for the supervision of its employees. The Grantee represents that it has, or shall secure at its own expense, all personnel required in performing the services under this Award Agreement. Such employees shall not be employees of, or have any individual contractual relationship with, the Agency.

1.4.5 Key Personnel: The Grantee shall not substitute key personnel assigned to the performance of this Award Agreement without prior written approval by the Agency's Contract Administrator. The individuals designated as key personnel are those specified in Section 1.2 of this Award Agreement.

1.4.6 Assignment: No assignment of the Grantee's obligations or the Grantee's right to receive payment hereunder shall be permitted. However, upon written request approved by the Agency, the Agency may:

- a. Forward the Grantee's payment check(s) directly to any person or entity designated by the Grantee, or
- b. Include any person or entity designated by Grantee as a joint payee on the Grantee's payment check(s). In no event shall such approval and action obligate the Agency to anyone other than the Grantee and the Grantee shall remain responsible for fulfillment of all contract obligations.

1.4.7 Beneficiaries: Except as otherwise provided herein, this Award Agreement shall inure to the benefit of and be binding upon the Parties hereto and their respective successors. It is expressly understood and agreed that the enforcement of the terms and conditions of this Award Agreement, and all rights of action relating to such enforcement, shall be strictly reserved to the Agency and the named Grantee. Nothing contained in this document shall give or allow any claim or right of action whatsoever by any other third person. It is the express intention of the Agency and Grantee that any such person or entity, other than the Agency or the Grantee, receiving services or benefits under this Award Agreement shall be deemed an incidental beneficiary only.

1.4.8 Indemnification: The Grantee shall hold and save the State, its officers, agents, and employees, harmless from liability of any kind, including all claims and losses accruing or resulting to any other person, firm, or corporation furnishing or supplying work, services, materials, or supplies in connection with the performance of this Award Agreement, and from any and all claims and losses accruing or resulting to any person, firm, or corporation that may be injured or damaged by the Grantee in the performance of this Award Agreement and that are attributable to the negligence or intentionally tortious acts of the Grantee.

1.4.9 Termination by Mutual Consent: The Parties may terminate this Award Agreement t by mutual consent with 60 days' written notice to the other Party, or as otherwise provided by law. In that event, all finished or unfinished deliverable items prepared by the Grantee under this Award Agreement shall, at the option of the Agency, become its property. If the Award Agreement is terminated by the Agency as provided herein, the Grantee shall be paid for services satisfactorily completed, less payment or compensation previously made. Unexpended funds held by the Grantee shall revert to the Agency upon termination of this Award Agreement.

1.4.10 Termination for Cause: If, through any cause, the Grantee shall fail to fulfill its obligations under this Award Agreement in a timely and proper manner, the Agency shall have the right to terminate this Award Agreement by giving written notice to the Grantee and specifying the effective date thereof. Unexpended funds held by the Grantee shall revert to the Agency upon termination of this Award Agreement. In that event, all finished or unfinished deliverable items prepared by the Grantee under this Award Agreement shall, at the option of the Agency, become its property and the Grantee shall be entitled to receive just and equitable compensation for any satisfactory work completed on such materials, minus any payment or compensation previously made. Notwithstanding the foregoing provision, the Grantee shall not be relieved of liability to the Agency for damages sustained by the Agency by virtue of the Grantee's breach of this Award Agreement, and the Agency may withhold any payment due the Grantee for the purpose of setoff until such time as the exact amount of damages due the Agency from such breach can be determined.

In case of default by the Grantee, the State may procure the services from other sources and hold the Grantee responsible for any excess cost occasioned thereby. The State reserves the right to require a performance bond or other acceptable alternative performance guarantees from successful offeror without expense to the State.

In addition, in the event of default by the Grantee under this Award Agreement, the State may immediately cease doing business with the Grantee, immediately terminate for cause all existing contracts the State has with the Grantee, and de-bar the Grantee from doing future business with the State.

Upon the Grantee filing a petition for bankruptcy or the entering of a judgment of bankruptcy by or against the Grantee, the State may immediately terminate, for cause, this Award Agreement and all other existing contracts the Grantee has with the State, and de-bar the Grantee from doing future business.

1.4.11 Waiver of Default: Waiver by the Agency of any default or breach in compliance with the terms of this Award Agreement by the Grantee shall not be deemed a waiver of any subsequent default or breach and shall not be construed to be modification of the terms of this Award Agreement unless stated to be such in writing, signed by an authorized representative of the Agency and the Grantee and attached to the Award Agreement.

1.4.12 Availability of Funds: The Parties to this Award Agreement agree and understand that the payment of the sums specified in this Award Agreement is dependent and contingent upon and subject to the appropriation, allocation, and availability of funds for this purpose to the Agency.

1.4.13 Force Majeure: Neither Party shall be deemed to be in default of its obligations hereunder if and so long as it is prevented from performing such obligations by any act of war, hostile foreign action, nuclear explosion, riot, strikes, civil insurrection, earthquake, hurricane, tornado, or other catastrophic natural event or act of God.

1.4.14 Survival of Promises: Except as otherwise provided herein or unless superseded by applicable federal or state statute of limitations, all promises, indemnifications, requirements, terms, conditions, provisions, representations, guarantees, and warranties contained herein shall survive the Award Agreement expiration or termination date.

1.4.15 Copyrights and Ownership of Deliverables: All deliverable items produced pursuant to this Award Agreement are the exclusive property of the Agency. The Grantee shall not assert a claim of copyright or other property interest in such deliverables.

1.4.16 Federal Intellectual Property Bankruptcy Protection Act: The Parties agree that the Agency shall be entitled to all rights and benefits of the Federal Intellectual Property Bankruptcy Protection Act, Public Law 100-506, codified at 11 U.S.C. 365 (n) and any amendments thereto.

1.4.17 Compliance with Laws: The Grantee shall comply with all laws, ordinances, codes, rules, regulations, and licensing requirements that are applicable to the conduct of its business, including those of federal, state, and local agencies having jurisdiction and/or authority.

1.4.18 Equal Employment Opportunity: The Grantee shall comply with all federal and state laws relating to equal employment opportunity. The Grantee shall take affirmative action in complying with all federal and state requirements concerning fair employment and employment of people with disabilities and concerning the treatment of all employees without regard to discrimination by reason of race, color, religion, sex, national origin, or disability. By signing this Agreement, the Grantee certifies its compliance with Title VI Civil Rights laws, and that it will cooperate in demonstrating compliance as may be required by the US Treasury. Further information on North Carolina's duties may be found in Treasury's implementing regulations, 31 CFR part 22, and the Department of Justice (DOJ) regulations, Coordination of Non-discrimination in Federally Assisted Programs, 28 CFR part 42, provide for the collection of data and information from recipients (see 28 CFR 42.406).

1.4.19 Access to Persons and Records: The State Auditor and the Agency Internal Auditors shall have access to persons and records as a result of all contracts or grants entered into by state agencies or political subdivisions in accordance with N.C.G.S §. 147-64.7. Additionally, as the state funding authority, the Agency shall have access to persons and records as a result of all contracts or grants entered into by state agencies or political subdivisions.

1.4.20 Record Retention: The Grantee may be required to maintain records for at least five years after the completion of the last project across the entire set of SFRF projects funded by North Carolina's SFRF Award. There are differences in the record retention periods required by federal and state regulations. Under the federal Award Terms and Conditions for SFRF, records must be retained for a period of the longer of five years after all funds have been expended or returned to Treasury. Generally, records of state assistance to grantees (grantees of the funds in this Agreement) covered by 09 NCAC 03M .0703 must be retained for the longer of five years or until all audit exceptions have been resolved as measured on an individual grant basis. Because SFRF is a single federal award, it may be necessary to keep records of all project expenditures, including record-keeping by grantees, until the longest of the timelines finishes.

Therefore, the Grantee should seek specific written authorization from the Agency for destruction of any records prior to five years after all funds have been expended or returned to Treasury.

1.4.21 Amendment: This Award Agreement may not be amended orally or by performance. Any significant amendments to the plan or budget as described in Section 3.1 shall be made in writing on a form prepared by the Agency and duly executed by an authorized representative of the Agency and the Grantee.

1.4.22 Severability: In the event that a court of competent jurisdiction holds that a provision or requirement of this Award Agreement violates any applicable law, each such provision or requirement shall continue to be enforced to the extent it is not in violation of law or is not otherwise unenforceable and all other provisions and requirements of this Award Agreement shall remain in full force and effect.

1.4.23 Headings: The Section and Paragraph headings in these General Terms and Conditions are not material parts of the Award Agreement and should not be used to construe the meaning of any text or content thereof.

1.4.24 Certification Regarding Collection of Taxes: N.C.G.S. § 143-59.1 bars the Secretary of Administration from entering into contracts with vendors that meet one of the conditions of N.C.G.S. § 105-164.8(b) and yet refuse to collect use taxes on sales of tangible personal property to purchasers in North Carolina. The conditions include: (a) maintenance of a retail establishment or office; (b) presence of representatives in the State that solicit sales or transact business on behalf of the vendor; and (c) systematic exploitation of the market by media-assisted, media-facilitated, or media-solicited means. The Grantee certifies that it and all its affiliates (if any) collect all required federal, state, and local taxes.

1.4.25 Sales/Use Tax Refunds: If eligible, the Grantee and all subrecipients shall: (a) ask the North Carolina Department of Revenue for a refund of all sales and use taxes paid by them in the performance of this Award Agreement, pursuant to N.C.G.S. § 105-164.14; and (b) exclude all refundable sales and use taxes from all reportable expenditures before the expenses are entered in their reimbursement reports.

1.4.26 Travel Expenses: Travel expenses shall not be reimbursed in the performance of this Award Agreement. If travel is necessary in the performance of this Award Agreement, it shall be included in the approved project budget and narrative.

1.4.27 Entire Agreement: This Award Agreement and any documents incorporated specifically by reference represent the entire agreement between the Parties and supersede all prior oral or written statements or agreements. This Award Agreement and any addenda thereto, are incorporated herein by reference as though set forth verbatim. All promises, requirements, terms, conditions, provisions, representations, guarantees, and warranties contained herein shall survive the Award Agreement expiration or termination date unless specifically provided otherwise herein, or unless superseded by applicable federal or state statutes of limitation.

1.4.28 Gifts or Favors: By N.C.G.S. §133-32, it is unlawful for any vendor or contractor (i.e., architect, bidder, contractor, construction manager, design professional, engineer, landlord, offeror, seller, subcontractor, supplier, or vendor) to make gifts or to give favors to any state employee of the Governor's cabinet agencies. This prohibition covers those vendors and contractors who:

- (1) have a contract with a government agency; or
- (2) have performed under such a contract within the past year; or
- (3) anticipate bidding on such a contract in the future.

The requirements of N.C.G.S. § 133-32 are hereby incorporated by reference, including any subsequent amendments thereto, and shall apply to all vendors and subcontractors under this Award Agreement.

1.4.29 Effective Period: This Award Agreement shall be effective upon signature by all Parties to this Award Agreement and shall terminate upon final expenditure of all funds and submission of all reports as required by law.

1.4.30 Conflict of Interest Policy: Grantees shall have on file with the Agency a copy of the Grantee's policy addressing conflicts of interest that may arise involving the Grantee's management, employees, and the members of its governing body as set forth in N.C.G.S. § 143C-6-23(b). The policy shall address situations in which any of these individuals may directly or indirectly benefit, except as the Grantee's employees or members of its board or other governing body, from the Grantee's disbursing of state funds and shall include actions to be

taken by the Grantee or the individual, or both to avoid conflicts of interest and the appearance of impropriety. The policy shall be filed before Agency may disburse the grant funds.

1.4.31 Statement of No Overdue Tax Debts: The Grantee's sworn written statement pursuant to N.C.G.S. § 143C-6-23(c), stating that the Grantee does not have any overdue tax debts, as defined by N.C.G.S. § 105-243.1, at the federal, state, or local level, is attached as Attachment D. Grantee acknowledges that the written statement must be filed before the Agency may disburse the grant funds.

1.4.32 Requirements: This Award Agreement is subject to the reporting requirements described in the Notice of Certain Reporting and Audit Requirements (Attachment C).

The Grantee must ensure that grant funds disbursed under this Award Agreement are audited in compliance with state and federal audit requirements for local governments and public authorities, institutions of higher education, and nonprofit organizations, and, as applicable, according to the standards of the federal Single Audit Act and Circular A-133 "Audits of States, Local Governments, and Nonprofit Organizations" as supplied by the Executive Office of the President, Office of Management and Budget, Washington, DC.

1.4.33 Disbursements: As a condition of this Award Agreement, Grantee acknowledges and agrees to make disbursements in accordance with the following requirements:

- (a) Implement adequate internal controls over disbursements.
- (b) Ensure sufficient account coding information to provide for tracking of grant funds through the Grantee's accounting system.
- (c) Assure adequate control of signature stamps/plates.
- (d) Assure adequate control of negotiable instruments; and
- (e) Implement procedures to ensure that all account balances are solvent and reconcile the account monthly.

1.4.34 Outsourcing/Assignability/Subcontracting: The Grantee shall not subgrant any of the work contemplated under this Award Agreement without prior written approval from the Agency. The Agency shall not be obligated to pay for any work performed by any unapproved subgrantee or subrecipient. The Grantee or subrecipient is not relieved of any of the duties and responsibilities of this Award Agreement. Furthermore, any subrecipient must agree to abide by the standards contained in this Award Agreement and to provide all information to allow the Grantee to comply with these standards.

1.4.35 Cap State-Funded Portion of Nonprofit Salaries: Pursuant to Session Law 2017-57, Section 6.4, no more than one hundred twenty thousand dollars (\$120,000) in state funds, including any interest earnings accruing from those funds, may be used for the annual salary of any individual employee of the Grantee.

1.4.36 Contract Administrators: All notices permitted or required to be given by one Party to the other and all questions about the Agreement from one Party to the other shall be addressed and delivered to the other Party's Contract Administrator. The name, post office address, street address, telephone number, and email address of the Parties' respective initial Contract Administrators are set out below. Either Party may change the name, post office address, street address, telephone number, fax number, or email address of its Contract Administrator by giving written notice to the other Party within 30 calendar days of such change.

1.5. Authorization. This Award Agreement applies to federal Coronavirus State Fiscal Recovery Funds authorized in section 9901 of the American Rescue Plan Act, Pub. L. No. 117-2, awarded to North Carolina, and appropriated in North Carolina by the 2021 Appropriations Act, S.L. 2021-180. Later legislation may modify these appropriations such as by technical corrections in S.L. 2021-189.

1.6 Administering Offices. The 2021 Appropriations Act directed the Office of State Budget and Management, Pandemic Recovery Office, to transfer these funds to the Agency to allocate to the Grantee. Session Law 2020-4 Section 4.3 directed the Office of State Budget and Management to establish the North Carolina Pandemic Recovery Office to perform the following:

OSBM shall establish a temporary North Carolina Pandemic Recovery Office to oversee and coordinate funds made available under COVID-19 Recovery Legislation. This Office shall also provide technical assistance and ensure coordination of federal funds received by state agencies and local governments and ensure proper reporting and accounting of all funds.

Similarly, the Agency will be responsible for providing technical assistance and ensuring coordination among Grantees for the proper reporting and accounting of funds received from the Agency through this program.

1.7 Conflict between State and Federal Appropriation. Session Law 2021-180 Section 4.9(c) directs that if there is a conflict between federal law and an appropriation in the state budget, the following obligations apply:

Conflict. – If an allocation made under this act of State Fiscal Recovery Fund funds is found to be disallowed by federal law, the disallowed allocation is repealed, and the Office of State

Budget and Management shall transfer the amount of the disallowed allocation to the State Fiscal Recovery Reserve. If the funds have been allocated to a nonprofit corporation, and the use of funds by the nonprofit corporation is disallowed by federal law, the nonprofit corporation shall return the amount of funds allocated to the nonprofit corporation to the Agency to transfer the disallowed, repealed allocation, as provided in this section.

The Grantee should promptly notify the Agency if, on the basis of official guidance or other analysis, that the allocation itself, or its use in a project design or implementation, may not be allowed by federal law.

1.8. Disbursement Schedule. Session Law 2021-180 Section 4.9(e) directs the Agency to disburse funds to nonprofits as follows:

State Fiscal Recovery Fund funds shall be allocated to nonprofit organizations on a quarterly basis unless OSBM determines that cash flow or the nature of the program being funded requires otherwise.

The Agency will follow the same quarterly disbursement schedule for all non-state entities unless it determines that cash flow or the nature of the program being funded requires otherwise. Determination of beneficiary status in Section 1.12 below may indicate the "nature of the program" requires a different disbursement schedule.

1.9 Amount and Purpose of Award. The federal award to North Carolina provides financial assistance for the State to do the following (emphasis added):

- a) To respond to the public health emergency or its negative economic impacts, including assistance to households, small businesses, and nonprofits, or aid to impacted industries such as tourism, travel, and hospitality; b) To respond to workers performing essential work during the COVID-19 public health emergency by providing premium pay to eligible workers; c) For the provision of government services to the extent of the reduction in revenue due to the COVID-19 public health emergency relative to revenues collected in the most recent full fiscal year prior to the emergency; and d) To make necessary investments in water, sewer, or broadband infrastructure.

Utilizing revenue replacement for government services, the Grantee has been selected in the 2021 Appropriations Act to receive and administer the following with a total allocation of up to **\$89,046**.

1.10 Period of Performance. The recipient must provide the Agency approval project plans and budgets as detailed under State Requirements in Section 3. The federal period of performance requires that eligible expenditures must be incurred or obligated by December 31, 2024, and expended by December 31, 2026, as allowed by federal law and regulation. For information on eligible

costs incurred prior to the signing of this Award Agreement, see applicable federal law and regulations and guidance issued by the US Department of the Treasury for use of these funds and consult with the Agency.

1.11 Nonreverting Appropriation. Session Law 2021-180 Section 4.9(k) establishes this as a non-reverting state appropriation over multiple fiscal years:

Reversion. – The funds appropriated in this act from the State Fiscal Recovery Fund shall not revert at the end of each fiscal year of the 2021-2023 fiscal biennium but shall remain available to expend until the date set by applicable federal law or guidance.

1.12 Recipient, Subrecipient or Beneficiary. For the purpose of determining the applicability of 2 CFR 200 Uniform Guidance and of 09 NCAC 03M, NCPRO looks first to the designation of federal financial assistance allocated by the state budget process for the provision of government services within the total calculated revenue loss. NCPRO does not view the provision of government services to make it a federal "Pass-through entity (PTE) [as] a non-Federal entity that provides a subaward to a subrecipient to carry out part of a Federal program" as defined in 2 CFR 200.1, beyond fulfilling the federal program purpose of replacing revenue to be used to provide government services as determined at the state level. To determine applicability of 09 NCAC 03M .0102 requires review of whether the appropriation describes a state program purpose or is solely financial assistance. For state Administrative Code definitions of a covered "recipient" or "subrecipient" receiving financial assistance "to carry out part of a state program," or is a non-covered "beneficiary," NCPRO adopts the rationale described in the federal SLFRF discussion of "Distinguishing Subrecipients and Beneficiaries" including the following excerpt, because the state Administrative Code adopted the same definition in 09 NCAC 03M .0102 (10) and (14) as in 2 CFR 200.1 that a federal subrecipient "does not include an individual that is a beneficiary of such program."

The distinction between a subrecipient and a beneficiary, therefore, is contingent upon the rationale for why a recipient is providing funds to the individual or entity. If the recipient is providing funds to the individual or entity for the purpose of carrying out a SLFRF program or project on behalf of the recipient, the individual or entity is acting as a subrecipient. Acting as a subrecipient, the individual or entity is subject to subrecipient monitoring and reporting requirements. Conversely, if the recipient is providing funds to the individual or entity for the purpose of directly benefitting the individual or entity as a result of experiencing a public health impact or negative economic impact of the pandemic, the individual or entity is acting as a beneficiary. Acting as a beneficiary, the individual or entity is not subject to subrecipient monitoring and reporting requirements.

Whether the recipient of this non-state entity award is a beneficiary is a determination by OSBM/NCPRO, as are determinations of further subawards by the Grantee.

SECTION 2.
Federal
Requirements

2.1 Federal Award Terms and Conditions. The parties acknowledge that these funds constitute federal financial assistance to the State of North Carolina and its recipients, and, therefore, use of these funds must be in accordance with federal uniform guidance found in 2 CFR 200, where applicable, and that none of these requirements is waived by recitations or terms of this Agreement or representations of the parties later during the term of performance, closeout, or post-closeout period except as allowed by law. The State of North Carolina is named by as the Prime Recipient of these federal funds and the Federal Award Terms and Conditions bind the recipient and its vendors, contractors and subrecipients, if any. The recipient specifically acknowledges responsibility for its duties under 2 CFR 200, Subpart E, "Cost Principles," as required of recipients/subrecipients by operation of 09 NCAC 03M .0201.

2.2 FFATA Required Executive Compensation Information. Before disbursing funds to recipients, the State must document compliance with the Federal Funds Accountability and Transparency Act. The FFATA requires public disclosure of executive compensation in certain federally-funded organizations. By signing this Agreement, the Grantee certifies that its answers to one or both questions is "No:" 1) *The recipient received 80% or more of its annual gross revenues from federal awards (contracts or subcontracts, loans, grants or subgrants, cooperative agreements)?* Y/N and/or whether 2) *The total of the recipients' annual federal awards equaled or exceeded \$25,000,000?* Y/N. If the answer to either question is "No," no further disclosure is required. If the answer to both questions is "yes," then upon disclosure in writing, the Grantee may sign this Award Agreement, and consult with the Agency and NCPRO regarding how to publicly report the compensation information of its five most highly compensated executives.

2.3 FFATA Reporting on Grants and Contracts over \$50,000. For each Contract, Grant, Loan, Transfer, or Direct Payment greater than \$50,000, information must be obtained and reported through NCPRO to US Treasury, which may include:

SECTION 3. State Requirements

3.1 State Administrative Code Requirements. The parties acknowledge that these funds constitute federal financial assistance to the State of North Carolina to provide government services, and the State Budget Act appropriates the funds as state financial assistance to the named Grantee. Therefore, use of these funds must be in accordance with state regulations found in Title 09, Subchapter 03M of the North Carolina Administrative Code, and that none of these requirements is waived by recitations or terms of this Award Agreement or representations of the parties later during the term of performance, closeout, or post-closeout period except as allowed by law.

3.1.1 Reporting. Grantee agrees to comply with all annual reporting requirements on the financial assistance awarded by this Award Agreement as found in 09 NCAC 03M .0205, specifically certifying that the financial assistance received or held was used for the purposes for which it was awarded, providing an accounting of all financial assistance received, held, used, or expended, activities and accomplishments undertaken by the Grantee including performance measures established hereby, and required single or program-specific audit as may be required.

3.1.2 Project Plan/Scope of Work/Description of Services. Grantee agrees to provide a project plan/scope of work/description of services to be attached as Appendix A that specifies the purpose of the award, services to be provided, objectives to be achieved, and expected results as required by 09 NCAC 03M .0703 (1).

3.1.3 Budget. Grantee agrees to provide a budget for the project to be attached as Appendix B as required by 09 NCAC 03M .0703 (8) including an anticipated schedule of payments for the project duration.

3.2 Disbursement Requests. Implementation of programs and services under ARPA/SFRF is not intended as a reimbursement process. Unless otherwise agreed, the Grantee will submit disbursement requests on a forward-looking quarterly basis and will provide as justification its estimated cash flow needs for the upcoming quarter. The Agency and NCPRO will evaluate the

quarterly justification based on program descriptions, operating plans, and past use of funds to avoid accumulation of excessive cash reserves beyond operating needs for successful implementation and delivery of services.

3.3 Financial Reporting. The Grantee will provide monthly program and expenditure reports to the Agency as requested to fulfill its oversight, coordination, accounting, and reporting responsibilities internal to state government. The Grantee will provide quarterly financial and performance reporting for the purpose of legislative reporting mandated under SL 2021-180 and US Treasury reporting as detailed in its Compliance and Reporting Guide and User Guide, and the Parties agree to develop sufficient internal controls and procedures for timely and accurate reporting.

3.4 Performance Reporting. Grantee will provide, at a minimum, quarterly performance reports to the Agency as requested to fulfill its responsibilities internal to state government and for the purpose of US Treasury reporting as detailed in its Compliance and Reporting Guide and User Guide, and the Parties agree to develop sufficient internal controls and reporting procedures to ensure timely and accurate reporting.

SECTION 4. Monitoring Plan

4.1 Monitoring Plan. For recipients/subrecipients (not beneficiaries), the Agency will conduct an annual risk assessment and develop a suitable monitoring plan to ensure compliance with these terms and identify any failures in the administration and performance of the Award. Monitoring activities will be selected based on an assigned risk of low, moderate, or high and may be based on factors including recent history of grant management, audit findings and corrective actions, and knowledge and experience of key personnel assigned. Monitoring activities may include review of monthly performance and financial reports, telephone and email interviews, desk audits of underlying documentation, and site visits (actual or virtual) to interview key personnel, to see performance sites, and to review files. The assessment and monitoring plan will also serve to identify whether the Grantee needs additional technical assistance to ensure success in timely meeting these requirements. Ongoing monitoring will be used to document allowable and unallowable costs, time and effort reporting and travel, achievement of performance objectives, and timely and accurate data reporting as appropriate. Monitoring also will be used to follow up on findings identified in earlier monitoring activities or after an audit to ensure that the Grantee took corrective action. If necessary, the Agency may amend the terms of the Award Agreement, plan, or budget to require implementation of additional terms to address deficiencies as a condition of continued funding disbursements. Special terms may be removed once a subsequent Grantee risk assessment shows a substantial reduction of risk.

SECTION 5.

Closeout

5.1 Closeout. The State of North Carolina as a prime recipient of a federal award will develop suitable closeout procedures in accordance with federal and state regulation and guidance from the US Treasury current at the time of signing and as may be promulgated and published during and after the period of performance. This includes determining timelines for completion of program and closeout tasks; determining whether all applicable administrative actions and all required work have been completed by the State and Grantee at the end of the period of performance; and requirements for liquidation of property or encumbered expenses if necessary; all in compliance with applicable law and guidance.

SECTION 6.

State Reporting Thresholds.

There are three reporting levels established for grantees and subrecipients receiving state financial assistance. Reporting levels are based on the level of state financial assistance from all funding sources. The reporting levels are:

- (1) Level I – A grantee or subrecipient that receives, holds, uses, or expends state financial assistance in an amount less than twenty-five thousand dollars (\$25,000) within its fiscal year.
- (2) Level II - A grantee or subrecipient that receives, holds, uses, or expends state financial assistance in an amount of at least twenty-five thousand (\$25,000) or greater, but less than five hundred thousand dollars (\$500,000) within its fiscal year.
- (3) Level III – A grantee or subrecipient that receives, holds, uses, or expends state financial assistance in an amount equal to or greater than five hundred thousand dollars (\$500,000) within its fiscal year.

Reporting requirements for grantees that meet the following reporting standards on an annual basis:

- (1) All grantees and subrecipients shall provide a certification that state financial assistance received or held was used for the purposes for which it was awarded.
- (2) All grantees and subrecipients shall provide an accounting of all state financial assistance received, held, used, or expended.
- (3) Level II and III grantees and subrecipients shall report on activities and accomplishments undertaken by the Grantee, including reporting on any performance measures established in this Award Agreement.
- (4) Level III grantees and subrecipients shall have a single or program-specific audit prepared and completed in accordance with Generally Accepted Government Auditing Standards (also known as the Yellow Book).

All reports shall be filed with the Agency in the format and method specified by the Agency no later than three months following the end of the Grantee's fiscal year. Audits must be provided to the funding Agency no later than nine months following the end of the Grantee's fiscal year. The Grantee shall use the reporting package forms provided by the Agency in making and submitting reports to the Agency.

Unless prohibited by law, the costs of audits made in accordance with the provisions of this Award Agreement shall be allowable charges to state and federal awards. The charges may be considered a direct cost or an allocated indirect cost, as determined in accordance with cost principles outlined in the Code of Federal Regulations, 2 CFR Part 200. The cost of any audit not conducted in accordance with this Award Agreement shall not be charged to state awards.

Notwithstanding the provisions of this Award Agreement, a grantee may satisfy the reporting requirements of this Award Agreement by submitting a copy of the report required under federal law with respect to the same funds.
