

NORTH CAROLINA

GOODS AND SERVICES AGREEMENT

BRUNSWICK COUNTY

THIS GOODS AND SERVICES AGREEMENT (hereinafter referred to as the “Agreement”) is made and entered into by and between Brunswick County, a body politic and corporate of the State of North Carolina, (hereinafter referred to as “County”), party of the first part and Motorola Solutions, Inc. (hereinafter referred to as “Provider”), party of the second part.

WITNESSETH:

1. GOODS AND SERVICES; FEES

The goods to be purchased and the services to be performed under this Agreement (hereinafter referred to collectively as the “Project”) and the agreed upon fees for the Project are set forth on Exhibit “A” attached hereto and in North Carolina Sheriffs’ Association Technology Procurement Program Contract Award Agreement - Bid 23-02-0222 (hereinafter the “NCSA Contract”).

Any exhibits or attachments referenced herein are hereby incorporated by reference and made a part of this Agreement. Any conflict between the language in an exhibit or attachment and the main body of this Agreement shall be resolved in favor of the main body of this Agreement.

2. TERM OF AGREEMENT AND TERMINATION

The term of this Agreement begins on 10/03/2022 (the “Effective Date”) and continues in effect until 10/02/2023, unless sooner terminated as provided herein. The County may terminate this Agreement at any time without cause by giving sixty (60) days’ written notice to Provider. As soon as practicable after receipt of a written notice of termination without cause, Provider shall submit a statement to County showing in detail the work performed under this Agreement through the effective date of termination. County may terminate this Agreement for cause by giving written notice of a breach of the Agreement. Provider shall have fifteen (15) days to cure the breach following receipt of the notification. Failure to cure the breach within the fifteen (15) days shall result in the immediate termination of the Agreement. Notwithstanding the foregoing, County may terminate this Agreement immediately and without notice to Provider if Provider becomes insolvent, makes or has made an assignment for the benefit of creditors, is the subject of proceedings in voluntary or involuntary bankruptcy instituted on behalf of or against Provider, or has a receiver or trustee appointed for substantially all of its property, or if Provider allows any final judgment to stand against it unsatisfied for a period of forty-eight (48) hours.

3. NONAPPROPRIATION

If the Board of County Commissioners does not appropriate the funding needed by the County to make payments under this Agreement for a given fiscal year, the County will not be obligated to pay amounts due beyond the end of the last fiscal year for which funds were appropriated. In such event, the County will promptly notify the Provider of the non-appropriation

and this Agreement will be terminated at the end of the last fiscal year for which funds were appropriated. No act or omission by the County which is attributable to non-appropriation of funds shall constitute a breach of or default under this Agreement.

4. COMPENSATION

The County agrees to pay costs as specified in Exhibit "A" or as set out above for the completion of the Project in conformance with this Agreement. Unless otherwise specified, Provider shall submit monthly invoices to County and include detail of all product delivered or work performed under the terms of this Agreement. County shall pay all undisputed and properly completed invoices within thirty (30) days of receipt. Notwithstanding the foregoing, County will not pay late fees on any charges under this Agreement. If County disputes any portion of the charges on any invoice received from Provider, the County shall inform Provider in writing of the disputed charges. Once the dispute has been resolved, Provider shall re-invoice County for the previously disputed charges, and, per any resolution between County and Provider, the County shall pay those charges in full at that time. No advance payment shall be made for the work to be performed by Provider under this Agreement.

5. INDEPENDENT CONTRACTOR

Both County and Provider agree that Provider shall act as an independent contractor and shall not represent itself as an agent or employee of the County for any purpose in the performance of its duties under this Agreement. Provider represents that it has or will secure, at its own expense, all personnel required in performing the work under this Agreement. Accordingly, Provider shall be responsible for payment of all federal, state and local taxes arising out of its activities in accordance with this Agreement, including, without limitation, federal and state income tax, social security tax, unemployment insurance taxes and any other taxes or business license fees as required. Provider shall not be entitled to participate in any plans, arrangements or distributions by the County pertaining to or in connection with any pension, stock, bonus, profit sharing or other benefit extended to County employees.

In the event the Internal Revenue Service should determine that Provider is, according to Internal Revenue Service guidelines, an employee subject to withholding and social security contributions, then Provider hereby acknowledges that all payments hereunder are gross payments, and the Provider is responsible for all income taxes and social security payments thereon.

6. PROVIDER REPRESENTATIONS

- a. Provider is a duly organized entity or corporation qualified to do business and in good standing under the laws of the State of North Carolina;
- b. Provider has all requisite corporate power and authority to execute, deliver and perform its obligations under this Agreement;

- c. No approval, authorization or consent of any governmental or regulatory authority is required to be obtained or made by it in order for Provider to enter into and perform its obligations under this Agreement;
- d. In connection with Provider's obligations under this Agreement, it shall comply with all applicable federal, state and local laws and regulations and shall obtain all applicable permits and licenses;
- e. Provider shall not violate any agreement with any third party by entering into or performing the work under this Agreement;
- f. Provider will provide all goods and perform all work in conformity with the specifications and requirements of this Agreement;
- g. Provider shall exercise reasonable care and diligence when performing the work hereunder and will ensure that it adheres to the highest generally accepted standards in the industry when performing said work;
- h. Provider acknowledges that if any specific licenses, certifications or related credentials are required in its performance of the work, it will ensure that such credentials remain current and active and not in a state of suspension or revocation; and
- i. Provider shall ensure that whenever its employees or agents are on County property, they will strictly abide by all instructions and directions issued by the County with respect to rules, regulations, policies and security procedures applicable to work on the County's premises. Such rules, regulations, policies and security procedures shall include, but not be limited to: (i) not possessing any controlled substances; (ii) smoking only in designated smoking areas, if any; and (iii) not possessing weapons, except for weapons possessed by law enforcement officials.

7. WARRANTIES

Provider's warranties are set forth in the NCSA Contract. Without limiting Provider's obligation to provide warranty or maintenance services, and in addition to any other warranties available, Provider hereby assigns to County all of Provider's warranties covering any third-party goods purchased under this Agreement. Provider will provide copies of all said warranties to County upon delivery of the goods, if any.

8. DAMAGE TO EQUIPMENT, FACILITIES, PROPERTY OR DATA

Provider shall be solely responsible for any damage to or loss of the County's equipment, facilities, and property arising out of the negligent or willful act or omission of Provider or its subcontractors. In the event that Provider causes damage to the County's equipment or facilities, Provider shall, at its own expense, promptly repair or replace such damaged items to restore them to the same level of functionality that they possessed prior to such damage.

9. NON-ENDORSEMENT AND PUBLICITY

County is not endorsing Provider or the goods or services covered under this Agreement, and Provider is not permitted to reference this Agreement or County in any manner without the prior written consent of County. Notwithstanding the foregoing, the parties agree that Provider may list the County as a reference in response to requests for proposals and may identify County as a customer in presentations to potential customers.

10. NON-EXCLUSIVITY

Provider acknowledges that County is not obligated to contract solely with Provider for the goods or services covered under this Agreement.

11. DIVESTMENT FROM COMPANIES THAT BOYCOTT ISRAEL

Provider hereby certifies that it has not been designated by the North Carolina State Treasurer as a company engaged in the boycott of Israel pursuant to N.C.G.S. § 147-86.81.

12. DEBARMENT

Provider hereby certifies that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from participation in this Agreement by any governmental department or agency. Provider must notify County within thirty (30) days if debarred by any governmental entity during this Agreement.

13. INDEMNIFICATION

Provider shall defend, indemnify and hold harmless County, its officers, officials, employees, and agents who are authorized to use the equipment and services from and against all actions, liability, claims, suits, damages, costs or expenses which may be brought or made against County or which County must pay and incur arising out of or relating to any and all claims, liens, demands, obligations, actions, proceedings or causes of action in connection with or arising out of the performance hereof that are due in part or in the entirety of Provider, its employees or agents. Provider further agrees to investigate, handle, respond to, defend and dispose of same at its sole cost and expense. Provider shall be fully responsible to County for the acts and omissions of its subcontractors and of persons either directly or indirectly employed by it. This Section shall survive any expiration or termination of this Agreement.

14. INSURANCE

Provider shall procure and maintain in full force and effect at all times and at its sole cost and expense Commercial General Liability, Commercial Automobile Liability, Professional Liability and Workers' Compensation insurance, if applicable, and any additional insurance as may be required by County with limits consistent with the coverage stated in Attachment 1. All insurance policies (with the exception of Workers' Compensation, if applicable, and Professional Liability) shall be endorsed, specifically or generally, to include County as an additional insured.

Provider shall furnish a Certificate of Insurance from a licensed insurance agent verifying the existence of any insurance coverage required herein. Provider will provide for thirty (30) days' advance notice in the event of termination or cancellation of coverage. Provider shall have no right of recovery or subrogation against County (including its officers, agents and employees) for claims that are determined to be the fault of Provider or those working on Provider's behalf, it being the intention of the parties that the insurance policies so affected shall protect both parties and be primary coverage for any and all losses covered by the aforementioned insurance.

15. WORKERS' COMPENSATION

To the extent required by law, Provider shall comply with the North Carolina Workers' Compensation Act and shall provide for the payment of workers' compensation to its employees in the manner and to the extent required by such Act. In the event Provider is excluded from the requirements of such Act and does not voluntarily carry workers' compensation coverage, Provider shall carry or cause its employees to carry adequate medical/accident insurance to cover any injuries sustained by its employees or agents while fulfilling Provider's obligations under this Agreement.

Provider agrees to furnish County proof of compliance with said Act or adequate medical/accident insurance coverage upon request.

16. REMEDIES

- a. **RIGHT TO COVER.** If Provider fails to meet any completion date or resolution time set forth, due to no fault of County, the County may take any of the following actions with or without terminating this Agreement, and in addition to, and without limiting, any other remedies it may have:
 - i. Employ such means as it may deem advisable and appropriate to perform itself or obtain the goods and/or services from a third party until the matter is resolved and Provider is again able to resume performance under this Agreement; and
 - ii. Deduct any and all expenses incurred by County in obtaining the goods and/or performing the services from any money then due or to become due Provider and, should the County's cost of obtaining the goods and/or performing the services exceed the amount due Provider, collect the amount due from Provider.
- b. **RIGHT TO WITHHOLD PAYMENT.** County reserves the right to withhold any portion, or all, of a scheduled payment if Provider fails to perform under this Agreement until such breach has been fully cured.
- c. **SETOFF.** Each party shall be entitled to set off and deduct from any amounts owed to the other party pursuant to this Agreement all damages and expenses incurred or reasonably anticipated as a result of the other party's breach of this Agreement.

- d. **OTHER REMEDIES.** Upon breach of this Agreement, each party may seek all legal and equitable remedies to which it is entitled. The remedies set forth herein shall be deemed cumulative and not exclusive and may be exercised successively or concurrently in addition to any other available remedy.
- e. **NO SUSPENSION.** In the event that County disputes in good faith an allegation of breach by Provider, notwithstanding anything to the contrary in this Agreement, Provider agrees that it will not terminate this Agreement or suspend or limit any services or warranties, unless: (i) the parties agree in writing; or (ii) an order of a court of competent jurisdiction determines otherwise; provided, however, this dispute period shall be limited to ninety (90) days.

17. TAXES

Provider shall be responsible for paying all taxes, fees, assessments and premiums of any kind payable on its employees and operations. Provider shall substantiate, on demand by the County, that all taxes and other charges are being properly paid.

18. HEALTH AND SAFETY

Provider shall be responsible for initiating, maintaining, and supervising all safety precautions and programs in connection with completing the Project. Provider shall take all necessary precautions for the safety of, and shall provide the necessary protection to prevent damage, injury or loss to all employees in connection with completing the Project and other persons who may be affected thereby.

19. NON-DISCRIMINATION IN EMPLOYMENT

Provider shall not discriminate against any employee or applicant for employment because of race, ethnicity, gender, gender identity, sexual orientation, age, religion, national origin, disability, color, ancestry, citizenship, genetic information, political affiliation or military/veteran status, or any other status protected by federal, state or local law or other unlawful form of discrimination. Provider shall take affirmative action to ensure that applicants are employed and that employees are treated fairly during employment. In the event Provider is determined by the final order of an appropriate agency or court of competent jurisdiction to be in violation of any non-discrimination provision of federal, state or local law or this provision, this Agreement may be cancelled, terminated or suspended in whole or in part by County, and Provider may be declared ineligible for further County agreements.

20. COMPLIANCE WITH E-VERIFY PROGRAM

Pursuant to N.C.G.S. § 143-133.3, Provider understands that it is a requirement of this Agreement that Provider and its subcontractors must comply with the provisions of Article 2 of Chapter 64 of the North Carolina General Statutes. In doing so, Provider agrees that, unless it is exempt by law, it shall verify the work authorization of its employees utilizing the federal E-Verify program and standards as promulgated and operated by the United States Department of Homeland

Security, and Provider shall require its subcontractors to do the same. Upon request, Provider agrees to provide County with an affidavit of compliance or exemption.

21. CONFIDENTIAL INFORMATION

For purposes of this Agreement, the party disclosing Confidential Information is the “Discloser,” and the party receiving Confidential Information is the “Recipient.” “Confidential Information” shall mean any nonpublic information concerning the parties’ respective businesses including, but not limited to, all tangible, intangible, visual, electronic, present or future information such as: (a) trade secrets; (b) financial information, including pricing; (c) technical information, including research, development, procedures, algorithms, data, designs and know-how; (d) business information, including operations, planning, marketing interests and products; and (e) the terms of any agreement between the parties and the discussions, negotiations and proposals related thereto. Confidential Information disclosed to the other party must be clearly identified. Written Confidential Information must be clearly marked in a conspicuous place with an appropriate legend identifying the information as “Confidential.” Confidential Information that is not written must be identified as confidential at the time of disclosure and confirmed in writing delivered to Recipient within fifteen (15) days of disclosure.

The restrictions regarding the use and disclosure of Confidential Information do not apply to information that is:

- a. in the public domain through no fault of the Recipient;
- b. within the legitimate possession of the Recipient, with no confidentiality obligations to a third party;
- c. lawfully received from a third party having rights in the information without restriction, and without notice of any restriction against its further disclosure;
- d. independently developed by the Recipient without breaching this Agreement or by parties who have not had, either directly or indirectly, access to or knowledge of the Confidential Information;
- e. disclosed with the prior written consent of the Discloser; or
- f. required to be disclosed by law, regulation or court or governmental order, specifically including requests pursuant to the Public Records Laws of North Carolina contained in Chapter 132 of the North Carolina General Statutes. In the event Recipient receives such a request, it shall notify Discloser and Discloser shall have the opportunity to defend against production of such records at Discloser’s sole expense.

22. OWNERSHIP OF WORK PRODUCT

Should Provider’s performance under this Agreement generate documents or other work product that are specific to the Project hereunder, such documents or work product shall become the property of County and may be used by County on other projects without additional compensation to Provider.

23. NO ASSIGNMENT WITHOUT CONSENT

Neither party shall assign this Agreement (or assign any right or delegate any obligation contained herein whether such assignment is of service, of payment or otherwise) without the prior written consent of the other party hereto. Any such assignment without the prior written consent of the other party hereto shall be void. An assignee shall acquire no rights, and County shall not recognize any assignment in violation of this provision.

24. GOVERNING LAW AND VENUE

This Agreement shall be governed by applicable federal law and by the laws of the State of North Carolina without regard for its choice of law provisions. All actions relating in any way to this Agreement shall be brought in the General Court of Justice of the State of North Carolina in Brunswick County or in the Federal District Court for the Eastern District of North Carolina, Wilmington division.

25. DISPUTE RESOLUTION

Should a dispute arise as to the terms of this Agreement, both parties agree that neither may initiate binding arbitration. The parties may agree to non-binding mediation of any dispute prior to the bringing of any suit or action.

26. GOVERNMENTAL IMMUNITY

County, to the extent applicable, does not waive its governmental immunity by entering into this Agreement and fully retains all immunities and defenses provided by law with regard to any action based on this Agreement.

27. NON-WAIVER

Failure by County at any time to require the performance by Provider of any of the provisions of this Agreement shall in no way affect County's right hereunder to enforce the same, nor shall any waiver by County of any breach be held to be a waiver of any succeeding breach or a waiver of this Section.

28. ENTIRE AGREEMENT

This Agreement constitutes the entire agreement between the parties with respect to the subject matter herein. There are no other representations, understandings or agreements between the parties with respect to such subject matter. This Agreement supersedes all prior agreements, negotiations, representations and proposals, written or oral, related specifically to the subject matter hereof and the purchases set forth in Exhibit "A."

29. HEADINGS

The headings in this Agreement are for convenience of reference only and shall not define or limit any of the terms or provisions hereof.

30. SEVERABILITY

The invalidity of one or more of the phrases, sentences, clauses or sections contained in this Agreement shall not affect the validity of the remaining portion of the Agreement so long as the material purposes of this Agreement can be determined and effectuated. If a provision of this Agreement is held to be unenforceable, then both parties shall be relieved of all obligations arising under such provision, but only to the extent that such provision is unenforceable, and this Agreement shall be deemed amended by modifying such provision to the extent necessary to make it enforceable while preserving its intent.

31. AMENDMENTS

No amendments or changes to this Agreement, or additional Proposals or Statements of Work, shall be valid unless in writing and signed by authorized agents of both Provider and County.

32. NOTICES

- a. **DELIVERY OF NOTICES.** Any notice, consent or other communication required or contemplated by this Agreement shall be in writing, and shall be delivered in person, by U.S. mail, by overnight courier, by electronic mail or by facsimile to the intended recipient at the address set forth below.
- b. **EFFECTIVE DATE OF NOTICES.** Any notice shall be effective upon the date of receipt by the intended recipient; provided that any notice which is sent by facsimile or electronic mail shall also be simultaneously sent by mail deposited with the U.S. Postal Service or by overnight courier.
- c. **NOTICE ADDRESS.** Communications that relate to any breach, default, termination, delay in performance, prevention of performance, modification, extension, amendment or waiver of any provision of this Agreement shall be sent to:
 - i. For the County: Brunswick County Manager
P. O. Box 249
Bolivia, NC 28422
 - ii. For the Provider: Motorola Solutions, Inc.
500 West Monroe Street, 43rd Floor
Chicago, IL 60661

33. SIGNATURES

This Agreement, together with any amendments or modifications, may be executed in one or more counterparts, each of which shall be deemed an original and all of which shall be considered one and the same agreement. This Agreement may also be executed electronically. By signing electronically, the parties indicate their intent to comply with the Electronic Commerce in Government Act (N.C.G.S. § 66-58.1 et seq.) and the Uniform Electronic Transactions Act (N.C.G.S. § 66-311 et seq.). Delivery of an executed counterpart of this Agreement by either electronic means or by facsimile shall be as effective as a manually executed counterpart.

EVIDENCE LIBRARY CLOUD SOLUTION DESCRIPTION

Evidence Library Cloud simplifies evidence management, automates data maintenance, and facilitates management of your department's devices, all in a cloud-based, off-premises storage solution.

It is compatible with V300 and VISTA body-worn cameras, as well as M500 and 4RE in-car video systems, enabling you to upload video evidence quickly and securely. It also allows live-streaming capabilities through the optional SmartControl and SmartConnect applications.

VIDEO EVIDENCE MANAGEMENT

Using Evidence Library Cloud delivers benefits to all aspects of video evidence management. From streamlining the evidence review process to automatically maintaining your stored data, Evidence Library Cloud makes evidence management as efficient as possible. With Evidence Library Cloud, you minimize the amount of time spent manually managing evidence, allowing your team to spend more time in the field.

SIMPLIFIED EVIDENCE REVIEW

Evidence Library Cloud makes evidence review easier by allowing users to upload evidence into cloud storage from their in-field devices. When uploading evidence, important information is shared that groups relevant evidence together. This information includes a recording's date and time, device used to capture, event ID, officer name, and event type. This allows you to view recordings of an incident that were taken from several devices simultaneously, eliminating the task of reviewing irrelevant footage during review.

Its built-in media player includes a visual display of incident data, allowing you to tag moments of interest, such as when lights, sirens, or brakes were activated during the event timeline.

Other relevant files, such as PDFs, spreadsheets, reports, third-party videos, audio recordings, pictures, and drawings, can also be grouped together and stored under a specific case entry, allowing all pertinent information to be stored together in Evidence Library.

EASY EVIDENCE SHARING

Evidence Library Cloud allows you to easily share information in the evidence review or judiciary sharing process by exporting evidence data as MP4 files.

You can also find relevant evidence data using audit log filters, including criteria such as import, export, playback, download, share, and modify dates.

Any sales transaction following Motorola's quote is based on and subject to the terms and conditions of the valid and executed written contract between Customer and Motorola (the "Underlying Agreement") that authorizes Customer to purchase equipment and/or services or license software (collectively "Products"). If no Underlying Agreement exists between Motorola and Customer, then Motorola's Standard Terms of Use and Motorola's Standard Terms and Conditions of Sales and Supply shall govern the purchase of the Products.

QUOTE-1869996
M500-15-Brunswick County SO
ELC Proposal

AUTOMATIC DATA MAINTENANCE

Evidence Library Cloud lets you automatically organize the evidence data you store, allowing you to save time that would be spent manually managing it. It can schedule the automatic movement or purging of events on a daily, weekly, or monthly basis, based on how the user wants to configure the system.

Security groups and permissions are easily set-up in Evidence Library Cloud, allowing you to grant individuals access to evidence on an as-needed basis.

INTEGRATION WITH IN-CAR AND BODY-WORN CAMERAS

Officers on the road are able to automatically upload encrypted video from in-car systems and body cameras. This eliminates the need for trips to and from the station solely for uploading data into the system.

Video and audio captured by the M500, V300, 4RE and VISTA camera systems are automatically linked in Evidence Library Cloud based on time and location. You can then utilize synchronized playback and export of video and audio from multiple devices in the same recording group, where video and audio streams can be matched together.

OPTIONAL LIVE VIDEO STREAMING

Evidence Library Cloud integrates with SmartControl, an optional mobile application for Android or iOS that allows officers to complete evidence review work normally completed at their desk from their smartphone.

SmartControl also allows officers to categorize recordings using event tags, stream live video from, and change camera settings, such as adjusting field of view, brightness, and audio levels.

SmartConnect, an optional smartphone application, provides VISTA body-worn camera users with immediate in-field access to their body cameras. SmartConnect includes the ability to pair with VISTA cameras, adjust officer preferences, categorize recordings with incident IDs and case numbers, and play back recordings.

DEVICE MANAGEMENT

Agencies using Evidence Library Cloud are able to assign users to devices, track them, and streamline shift changes. You can easily manage, configure, update firmware, and deploy in-car and body-worn cameras. Individual preference settings can be configured based on user profiles, allowing quick device transactions within a pooled device system. Evidence Library Cloud also tracks devices and enables them to be quickly exchanged between officers during shift changes. This minimizes the amount of devices needed for your fleet.

DEVICE TRACKING

You can easily manage, configure, and deploy their in-car and body-worn cameras in Evidence Library Cloud. Devices can be assigned to personnel within Evidence Library Cloud and tracked, helping agencies keep track of which users have specific devices.

Any sales transaction following Motorola's quote is based on and subject to the terms and conditions of the valid and executed written contract between Customer and Motorola (the "Underlying Agreement") that authorizes Customer to purchase equipment and/or services or license software (collectively "Products"). If no Underlying Agreement exists between Motorola and Customer, then Motorola's Standard Terms of Use and Motorola's Standard Terms and Conditions of Sales and Supply shall govern the purchase of the Products.

QUOTE-1869996
M500-15-Brunswick County SO
ELC Proposal

FASTER SHIFT CHANGES

Evidence Library Cloud's Rapid Checkout Kiosk feature allows agencies using a pooled camera system to use fewer cameras. Rapid Checkout Kiosk feature allows agencies using a pooled camera system to use fewer cameras. Cameras can be checked out at the start of a shift using an easy-to-use interface. At the end of the shift, the camera can be returned to its dock, where the video is automatically uploaded and the camera is made ready to be checked out and used for the next shift.

Devices can also be configured to remember individual preference settings for each user, including volume level, screen brightness and camera aim. These settings are applied whenever a device is assigned to a specific officer. A variety of settings within Evidence Library Cloud also enable you to configure devices to operate in alignment with your agency's policies and procedures.

Any sales transaction following Motorola's quote is based on and subject to the terms and conditions of the valid and executed written contract between Customer and Motorola (the "Underlying Agreement") that authorizes Customer to purchase equipment and/or services or license software (collectively "Products"). If no Underlying Agreement exists between Motorola and Customer, then Motorola's Standard Terms of Use and Motorola's Standard Terms and Conditions of Sales and Supply shall govern the purchase of the Products.

M500 IN-CAR VIDEO SYSTEM SOLUTION DESCRIPTION

The M500 In-Car Video System is the first AI-enabled in-car video solution for law enforcement. It combines Motorola's powerful camera technology with our industry-leading digital evidence management software (DEMS), to improve the quality of evidence collected and streamline the data sharing process throughout investigation.

Video Recording and Capture

Equipped with high-definition front and cabin cameras with configurable recording resolution of up to 1080p, the M500 creates a reliable record of evidence that can be uploaded to your DEMS solution from any location with a cellular or Wi-Fi signal.

It is equipped with patented Record-After-the-Fact (RATF) technology, which ensures continuous recording from both front and cabin perspectives whenever the camera is on, even if the recording function isn't manually engaged. All RATF data is automatically uploaded to DEMS, for easy review and data capture whenever it is needed.

Display and User Interface

The M500 system features a 5" control panel with a bright, clear display. It offers an icon-driven interface and intuitive controls to streamline field operations. Users can execute any function on the device within three taps of the screen.

Automatic Recording Functionality

Users can program various sensors to activate a new recording. These sensors include emergency lights, sirens, auxiliary inputs, wireless microphones, vehicle speed, and crash detection. When these sensors are triggered, the integrated cameras automatically start recording, allowing officers to capture video evidence without manually activating any cameras.

INTEGRATION WITH V300

The M500 integrates with the V300 Body-Worn Camera for synchronized recording and playback, as well as wireless uploading. Whenever one camera in a group is activated, the Group Recording function enables other cameras in that group within Wi-Fi range to join in on a group recording for easy capture of all available information. Video evidence on a V300 Body-Worn Camera can be uploaded to your evidence management system via an in-car LTE network.

VIDEO EVIDENCE STATEMENT OF WORK

Overview

In accordance with the terms and conditions of the Goods and Services Agreement (the "Agreement") to which this is attached, this Statement of Work ("SOW") defines the principal activities and responsibilities of all parties for the delivery of the Motorola Solutions, Inc. ("Motorola") system as presented in this offer to the Customer (hereinafter referred to as "Customer"). For the purposes of this SOW, Motorola may include our affiliates, subcontractors, and third-party partners, as the case may be.

Deviations and changes to this SOW are subject to mutual agreement between Motorola and the Customer and will be addressed in accordance with the change provisions of the Agreement.

Unless specifically stated, Motorola work will be performed remotely. Customer will provide Motorola resources with direct network access sufficient to enable Motorola to fulfill its delivery obligations.

The number and type of software or subscription licenses, products, or services provided by or on behalf of Motorola are specifically listed in the Quote and any reference within this SOW, as well as subcontractors' SOWs (if applicable), does not imply or convey a software or subscription license or service that is not explicitly listed in the Quote.

AWARD, ADMINISTRATION, AND PROJECT INITIATION

Project Initiation and Planning will begin following execution of the Agreement.

Following the conclusion of the Welcome/IT Call, Motorola project personnel will communicate additional project information via email, phone call, or additional ad-hoc meetings.

Motorola utilizes Google Meet as its teleconference tool. If Customer desires a different teleconference tool, Customer may provide a mutually agreeable alternate tool at Customer expense.

PROJECT MANAGEMENT TERMS

The following project management terms are used in this SOW. Since these terms may be used differently in other settings, these definitions are provided for clarity.

Deployment Date(s) refers to any date or range of dates when implementation, configuration, and training will occur. The deployment date(s) is subject to change based on equipment or resource availability and Customer readiness.

COMPLETION CRITERIA

Motorola Integration Services are complete upon Motorola performing the last task listed in a series of responsibilities or as specifically stated in the deployment checklist. Certain Customer tasks, such as hardware installation activities identified in this SOW, must be completed prior to Motorola commencing with its delivery obligations. Customer will provide Motorola written notification that it does not accept the completion of Motorola responsibilities or rejects a Motorola service deliverable within five business days of task completion or receipt of a deliverable, whichever may be applicable.

Any sales transaction following Motorola's quote is based on and subject to the terms and conditions of the valid and executed written contract between Customer and Motorola (the "Underlying Agreement") that authorizes Customer to purchase equipment and/or services or license software (collectively "Products"). If no Underlying Agreement exists between Motorola and Customer, then Motorola's Standard Terms of Use and Motorola's Standard Terms and Conditions of Sales and Supply shall govern the purchase of the Products.

QUOTE-1869996
M500-15-Brunswick County
SO ELC Proposal

Service completion will be acknowledged in accordance with the terms of the Agreement and the Service Completion Date will be memorialized by Motorola and Customer in a writing signed by both parties.

PROJECT ROLES AND RESPONSIBILITIES OVERVIEW

MOTOROLA PROJECT ROLES AND RESPONSIBILITIES

A Motorola team, made up of specialized personnel, will be assigned to the project under the direction of the Motorola Project Manager. Team members will be multi-disciplinary and may fill more than one role. Team members will be engaged in different phases of the project as necessary.

In order to maximize efficiencies, Motorola's project team will provide services remotely via teleconference, web-conference, or other remote method in fulfilling its commitments as outlined in this SOW.

The personnel role descriptions noted below provide an overview of typical project team members. One or more resources of the same type may be engaged as needed throughout the project. There may be other personnel engaged in the project at the discretion of and under the direction of the Project Manager.

Motorola's project management approach has been developed and refined based on lessons learned in the execution of hundreds of system implementations. Using experienced and dedicated people, industry-leading processes, and integrated software tools for effective project execution and control, we have developed and refined practices that support the design, production, and testing required to deliver a high-quality, feature-rich system.

Project Manager

A Motorola Project Manager will be assigned as the principal business representative and point of contact for Motorola. The Project Manager's responsibilities include the following:

- Host the Welcome/IT Call.
- Manage the Motorola responsibilities related to the delivery of the project.
- Coordinate schedules of the assigned Motorola personnel and applicable subcontractors/supplier resources.
- Manage the Change Order process per the Agreement.
- Maintain project communications with the Customer.
- Identify and manage project risks.
- Collaborative coordination of Customer resources to minimize and avoid project delays.
- Conduct remote status meetings on mutually agreed dates to discuss project status.
- Provide timely responses to issues related to project progress.

System Technologists

The Motorola System Technologists (ST) will work with the Customer project team on system provisioning. ST responsibilities include the following:

- Provide consultation services to the Customer regarding the provisioning and operation of the Motorola system.
- Provide provisioning and training to the Customer to set up and maintain the system.
- Complete the provisioning ownership handoff to the Customer.

Any sales transaction following Motorola's quote is based on and subject to the terms and conditions of the valid and executed written contract between Customer and Motorola (the "Underlying Agreement") that authorizes Customer to purchase equipment and/or services or license software (collectively "Products"). If no Underlying Agreement exists between Motorola and Customer, then Motorola's Standard Terms of Use and Motorola's Standard Terms and Conditions of Sales and Supply shall govern the purchase of the Products.

QUOTE-1869996
M500-15-Brunswick County
SO ELC Proposal

- Complete the project-defined tasks as defined in this SOW.
- Confirmation that the delivered technical elements meet contracted requirements.
- Engagement throughout the duration of the delivery.

Technical Trainer / Instructor

The Motorola Technical Trainer / Instructor provides training either on-site or remote (virtual) depending on the training topic and deployment type purchased. Responsibilities include:

- Review the role of the Learning eXperience Portal ("LXP") in the delivery and provide Customer Username and Access Information.

CUSTOMER PROJECT ROLES AND RESPONSIBILITIES OVERVIEW

The success of the project is dependent on early assignment of key Customer resources. In many cases, the Customer will provide project roles that correspond with Motorola's project roles. It is critical that these resources are empowered to make decisions based on the Customer's operational and administration needs. The Customer's project team should be engaged from project initiation through beneficial use of the system. The continued involvement in the project and use of the system will convey the required knowledge to maintain the system post-completion of the project. In some cases, one person may fill multiple project roles. The project team must be committed to participate in activities for a successful implementation. In the event the Customer is unable to provide the roles identified in this section, Motorola may be able to supplement Customer resources at an additional price.

Project Manager

The Project Manager will act as the primary Customer point of contact for the duration of the project. The Project Manager is responsible for management of any third-party vendors that are the Customer's subcontractors. In the event the project involves multiple locations, Motorola will work exclusively with a single Customer-assigned Project Manager (the primary Project Manager). The Project Manager's responsibilities include the following:

- Communicate and coordinate with other project participants.
- Manage the Customer project team, including timely facilitation of efforts, tasks, and activities.
- Maintain project communications with the Motorola Project Manager.
- Identify the efforts required of Customer staff to meet the task requirements in this SOW and identified in the Welcome/IT Call.
- Consolidate all project-related questions and queries from Customer staff to present to the Motorola Project Manager.
- Approve a deployment date offered by Motorola.
- Monitor the project to ensure resources are available as required.
- Attend status meetings.
- Provide timely responses to issues related to project progress.
- Liaise and coordinate with other agencies, Customer vendors, contractors, and common carriers.
- Review and administer change control procedures, hardware and software certification, and all related project tasks required to meet the deployment date.
- Ensure Customer vendors' readiness ahead of the deployment date.
- Assign one or more personnel who will work with Motorola staff as needed for the duration of the project, including at least one Application Administrator for the system and one or more representative(s) from the IT department.

Any sales transaction following Motorola's quote is based on and subject to the terms and conditions of the valid and executed written contract between Customer and Motorola (the "Underlying Agreement") that authorizes Customer to purchase equipment and/or services or license software (collectively "Products"). If no Underlying Agreement exists between Motorola and Customer, then Motorola's Standard Terms of Use and Motorola's Standard Terms and Conditions of Sales and Supply shall govern the purchase of the Products.

QUOTE-1869996
M500-15-Brunswick County
SO ELC Proposal

- Identify the resource with authority to formally acknowledge and approve change orders, completion of work, and payments in a timely manner.
- Provide building access to Motorola personnel to all Customer facilities where system equipment is to be installed during the project. Temporary identification cards are to be issued to Motorola personnel, if required for access to facilities.
- Ensure remote network connectivity and access to Motorola resources.
- Provide reasonable care to prevent equipment exposure to contaminants that cause damage to the equipment or interruption of service.
- Ensure a safe work environment for Motorola personnel.
- Identify and manage project risks.
- Point of contact to work with the Motorola System Technologists to facilitate the training plan.

IT Support Team

The IT Support Team (or Customer designee) manages the technical efforts and ongoing tasks and activities of their system. Manage the Customer-owned provisioning maintenance and provide required information related to LAN, WAN, wireless networks, server, and client infrastructure. They must also be familiar with connectivity to internal, external, and third-party systems to which the Motorola system will interface.

The IT Support Team responsibilities include the following:

- Participate in overall delivery and training activities to understand the software, interfaces, and functionality of the system.
- Participate with the Customer subject matter experts during the provisioning process and training.
- Authorize global provisioning choices and decisions, and be the point(s) of contact for reporting and verifying problems and maintaining provisioning.
- Obtain inputs from other user agency stakeholders related to business processes and provisioning.
- Implement changes to Customer owned and maintained infrastructure in support of the Evidence Management System installation.

Subject Matter Experts

The Subject Matter Experts (SME or Super Users) are the core group of users involved with delivery analysis, training, and the provisioning process, including making global provisioning choices and decisions. These members should be experienced users in the working area(s) they represent (dispatch, patrol, etc.), and should be empowered to make decisions related to provisioning elements, workflows, and department policies related to the Evidence Management System.

General Customer Responsibilities

In addition to the Customer Responsibilities stated elsewhere in this SOW, the Customer is responsible for the following:

- All Customer-provided equipment, including hardware and third-party software, necessary for delivery of the System not specifically listed as a Motorola deliverable. This will include end user workstations, network equipment, camera equipment and the like.
- Configuration, maintenance, testing, and supporting the third-party systems the Customer operates which will be interfaced to as part of this project.
- Communication between Motorola and Customer's third-party vendors, as required, to enable Motorola to perform its duties.

Any sales transaction following Motorola's quote is based on and subject to the terms and conditions of the valid and executed written contract between Customer and Motorola (the "Underlying Agreement") that authorizes Customer to purchase equipment and/or services or license software (collectively "Products"). If no Underlying Agreement exists between Motorola and Customer, then Motorola's Standard Terms of Use and Motorola's Standard Terms and Conditions of Sales and Supply shall govern the purchase of the Products.

QUOTE-1869996
M500-15-Brunswick County
SO ELC Proposal

- Active participation of Customer SMEs in project delivery meetings and working sessions during the course of the project. Customer SMEs will possess requisite knowledge of Customer operations and legacy system(s) and possess skills and abilities to operate and manage the system.
- Electronic versions of any documentation associated with the business processes identified.
- Providing a facility with the required computer and audio-visual equipment for training and work sessions.
- Ability to participate in remote project meeting sessions using Google Meet or a mutually agreeable, Customer-provided, alternate remote conferencing solution.

PROJECT PLANNING

A clear understanding of the needs and expectations of both Motorola and the Customer are critical to fostering a collaborative environment of trust and mutual respect. Project Planning requires the gathering of project-specific information in order to set clear project expectations and guidelines, and set the foundation for a successful implementation.

WELCOME/IT CALL - TELECONFERENCE/WEB MEETING

A Project Planning Session teleconference will be scheduled after the Agreement has been executed. The agenda will include the following:

- Review the Agreement documents.
- Review project delivery requirements as described in this SOW.
- Provide shipping information for all purchased equipment.
- Discuss deployment date activities.
- Provide assigned technician information.
- Review IT questionnaire and customer infrastructure.
- Discuss which tasks will be conducted by Motorola resources.
- Discuss Customer involvement in provisioning and data gathering to confirm understanding of the scope and required time commitments.
- Review the initial project tasks and incorporate Customer feedback.
- Confirm CJIS background investigations and fingerprint requirements for Motorola employees and/or contractors. Required fingerprints will be submitted on Motorola provided FBI FD-258 Fingerprint cards.
- Review the On-line Training system role in project delivery and provide Customer User Name and Access Information.
- Discuss Motorola remote access requirements (24-hour access to a secured two-way Internet connection to the Motorola system firewalls for the purposes of deployment, maintenance, and monitoring).
- Discuss Customer obligation to manage change among the stakeholder and user communities.
- Review deployment completion criteria and the process for transitioning to support.

Motorola Responsibilities

- Host Welcome/IT Call.
- Request the attendance of any additional Customer resources that are instrumental in the project's success, as needed.
- Review Motorola's delivery approach and its reliance on Customer-provided remote access.
- Provide Customers with steps to follow to register for Online Training.
- Request user information required to establish the Customer in the LXP.

Any sales transaction following Motorola's quote is based on and subject to the terms and conditions of the valid and executed written contract between Customer and Motorola (the "Underlying Agreement") that authorizes Customer to purchase equipment and/or services or license software (collectively "Products"). If no Underlying Agreement exists between Motorola and Customer, then Motorola's Standard Terms of Use and Motorola's Standard Terms and Conditions of Sales and Supply shall govern the purchase of the Products.

QUOTE-1869996
M500-15-Brunswick County
SO ELC Proposal

Customer Responsibilities

Complete the Online Training registration form and provide it to Motorola within ten business days of the Project Planning Session.

- Review the received (as part of order) and completed IT questionnaire.
- Provide a customer point of contact for the project.
- Provide data for completing the policy validation form.
- Provide LXP user information as requested by Motorola.
- Verify Customer Administrator(s) have access to the LXP.

Motorola Deliverables

- Welcome Call presentation and key meeting notes
- Send an email confirming deployment date and ST assigned email
- Communicate with the Customer via email confirming shipment and tracking information.
- Instruct the Customer on How to Register for Training email.
- Provide and review the Training Plan.

SOLUTION PROVISIONING

Solution provisioning includes the configuration of user configurable parameters (unit names, personnel, and status codes). The system will be provisioned using Motorola standard provisioning parameters and will incorporate Customer-specific provisioning.

IN-CAR VIDEO PROVISIONING SCENARIO

If in-car video is a part of the system, the Motorola Application Specialist will complete the following provisioning tasks.

Motorola Responsibilities

- Conduct a remote review of the standard provisioning database with the Customer prior to the start of provisioning.
- Provide and review the Provisioning Export Worksheets with the Customer.
- Conduct a conference call with the Customer to review the completeness of the Provisioning Export Worksheets prior to the start of provisioning.

BODY WORN CAMERA PROVISIONING SCENARIO

If body worn cameras are a part of the system, the provisioning of the in-car system will generally follow the completion of the base in-car video provisioning.

Motorola Responsibilities

Configure transfer stations for connectivity to the evidence management server.

- Configure devices within the evidence management system.
- Check out devices and create a test recording.

Any sales transaction following Motorola's quote is based on and subject to the terms and conditions of the valid and executed written contract between Customer and Motorola (the "Underlying Agreement") that authorizes Customer to purchase equipment and/or services or license software (collectively "Products"). If no Underlying Agreement exists between Motorola and Customer, then Motorola's Standard Terms of Use and Motorola's Standard Terms and Conditions of Sales and Supply shall govern the purchase of the Products.

QUOTE-1869996
M500-15-Brunswick County
SO ELC Proposal

- Verify successful upload from devices after docking back into the transfer station or USB dock.

INFRASTRUCTURE VALIDATION

Hardware will be installed on the network to facilitate provisioning, testing, and will be used to provide instruction to Customer personnel after the complete software installation.

Motorola Responsibilities

- Verify that the server is properly racked and connected to the network.
- Verify that access points are properly installed and connected to the network.
- Verify that transfer stations are connected to the network and configured.

Customer Responsibilities

- Verify that the server network has access to the internet for software installation and updates.
- Verify that the network routing is correct for the transfer stations and access points to communicate with the server.
- Verify that the client computers can access the server on the required ports.

HARDWARE INSTALLATION

Physical installation of hardware (i.e. servers, cameras, Access Points, WiFi docs, etc.) is not included in the standard scope of the solution. If a custom quote for installations is included in this purchase, Motorola will manage the subcontractor and their deliverables as part of this SOW. Customers who perform or procure their own installations assume all installation responsibilities including cost, oversight and risk.

SYSTEM TRAINING

Motorola training consists of both computer-based (online) and instructor-led (on-site or remote). Training delivery methods vary depending on course content. Self-paced online training courses, additional live training, documentation, and resources can be accessed and registered for on the Motorola's LXP.

ONLINE TRAINING

Online training is made available to the Customer via Motorola's LXP. This subscription service provides the Customer with continual access to our library of online learning content and allows users the benefit of learning at times convenient to them. Content is added and updated on a regular basis to keep information current. This training modality allows the Customer to engage in training when convenient.

A list of available online training courses can be found in the Training Plan.

Motorola Responsibilities

- Designate a LXP Administrator to work with the Customer.
- Establish an accessible instance of the LXP for the Customer.
- Organize content to align with the Customer's selected technologies.
- Create initial Customer user accounts and a single Primary Administrator account.

Any sales transaction following Motorola's quote is based on and subject to the terms and conditions of the valid and executed written contract between Customer and Motorola (the "Underlying Agreement") that authorizes Customer to purchase equipment and/or services or license software (collectively "Products"). If no Underlying Agreement exists between Motorola and Customer, then Motorola's Standard Terms of Use and Motorola's Standard Terms and Conditions of Sales and Supply shall govern the purchase of the Products.

QUOTE-1869996
M500-15-Brunswick County
SO ELC Proposal

- During on-boarding, assist the Customer with LXP usage by providing training and job aids as needed.
- Create and maintain user role Learning Paths defined by the Customer.
- Install security patches when available.
- Provide technical support for user account and access issues, base system functionality, and Motorola Solutions-managed content.
- Monitor the Learning Subscription server. Provide support for server incidents.

Customer Responsibilities

- Provide user information for the initial creation of accounts.
- Provide network and internet connectivity for the Customer's users to access the LXP.
- The customer's primary LXP administrator should complete the following self-paced training: LXP Introduction online course (LXP0001), LXP Primary Site Administrator Overview online course (LXP0002), and LXP Group Administrator Overview (LXP0003)
- Advise agency learners of the availability of training via the LXP.
- Ensure users complete LXP training in accordance with the Project Schedule.
- Order and maintain subscriptions to access Motorola's LXP.
- Contact Motorola Solutions to engage Technical Support when needed.

Motorola Deliverables

- LXP Enable

INSTRUCTOR-LED TRAINING (ONSITE AND REMOTE)

A list of Instructor-Led and Virtual Instructor-Led courses can be found in the Training Plan.

Motorola Responsibilities

- Deliver User Guides and training materials in electronic .PDF format.
- Perform training in accordance with the Training Plan.
- Provide Customer with training Attendance Rosters and summarize any pertinent observations that may impact end user training.

Customer Responsibilities

- Supply classrooms with a workstation for the instructor (if Onsite) and at least one workstation for every student based on the requirements listed in the Training Plan.
- Designate training representatives who will work with the Motorola trainers in the delivery of training.
- Conduct end user training in accordance with the Project Schedule.

Motorola Deliverables

- Electronic versions of User Guides and training materials.
- Attendance Rosters.
- Technical Training Catalog.

FUNCTIONAL VALIDATION AND PROJECT CLOSURE

Any sales transaction following Motorola's quote is based on and subject to the terms and conditions of the valid and executed written contract between Customer and Motorola (the "Underlying Agreement") that authorizes Customer to purchase equipment and/or services or license software (collectively "Products"). If no Underlying Agreement exists between Motorola and Customer, then Motorola's Standard Terms of Use and Motorola's Standard Terms and Conditions of Sales and Supply shall govern the purchase of the Products.

QUOTE-1869996
M500-15-Brunswick County
SO ELC Proposal

The objective of Functional Validation is to demonstrate the features and functions of the system in the Customer's provisioned environment. The functional demonstration may not exercise all functions of the system, if identified as not being applicable to the Customer's operations or for which the system has not been provisioned. The functional demonstration is a critical activity that must occur following the completion of provisioning.

Motorola Responsibilities

- Conduct a power on functional demonstration of the installed system per the deployment checklist
- Manage to resolution any documented punch list items noted on the deployment checklist.
- Provide trip report outlining all activities completed during the installation as well as outstanding follow up items
- Provide an overview of the support process and how to request support.
- Walk through support resources, web ticket entry and escalation procedures.
- Provide a customer survey upon closure of the project.

Customer Responsibilities

- Witness the functional demonstration and acknowledge its completion via signature on the deployment checklist.
- Participate in prioritizing the punch list.
- Coordinate and manage Customer action as noted in the punch list.
- Provide signatory approval on the deployment checklist providing Motorola with final acceptance.
- Complete Customer Survey.

Any sales transaction following Motorola's quote is based on and subject to the terms and conditions of the valid and executed written contract between Customer and Motorola (the "Underlying Agreement") that authorizes Customer to purchase equipment and/or services or license software (collectively "Products"). If no Underlying Agreement exists between Motorola and Customer, then Motorola's Standard Terms of Use and Motorola's Standard Terms and Conditions of Sales and Supply shall govern the purchase of the Products.
