D-5. All original and review appraisals shall be conducted by qualified appraisers who have no financial or other interest in the property to be acquired.

D-6. The fair market value of a parcel will be established by the review appraiser based upon the information contained in the original appraisal or appraisals.

D-7. No negotiation for property acquisition shall be commenced between the Sponsor and the property owner until the fair market value of the property has been established. Initial negotiations shall be based upon the fair market value.
