VI. ADMINISTRATIVE REPORT

1. **Utilities - ECS Southeast Mirasol Family Farm (John Nichols, Public Utilities Director)**

Request that the Board of Commissioners provide input regarding engineering work to determine the impacts associated with a developer request to expand and construct a sand mine within the 211 Water Treatment Plant Wellhead Protection Area and, based on that input, approve a task order with ECS in the amount of \$10,350 for consultant services.

Mr. Nichols explained that a rezoning request had been made by a developer for expansion of a sand mine in an area that was designated in 2013 as a wellhead protection area. The property is located across from the entrance to St. James Plantation. In an effort to protect wells that supply public water, DEQ requested that a plan be in place to identify potential hazards in areas where wells are located. The County has approximately 15 wells across from the water treatment plant on Hwy. 211, with one being located on the subject property. There are approximately four wells within the zone of influence. The wells are located in the Castle Hayne Aquifer and are very shallow, therefore, there is the potential for impacts to the yield, quantity of water, and quality of water by development. The 211 Water Treatment Plant is a ground water plant, and the regulatory requirements are different than the requirements for the Northwest Water Treatment Plant. The construction of a sand mine indicates a higher hazard use within the wellhead protection plan, which is cause for concern. Additional study from an expert hydrogeologist is needed to determine if there is a potential hazard, and if there is, a plan is needed for the developer's engineers and consultants to study to determine the impacts.

Staff recommended approval of a task order with ECS in the initial amount of \$10,350 for the consultant services in order to give valid information/direction to the developer. The information from the consultant would also allow the County to make a decision regarding the rezoning request. Depending on the results of the initial phase, future phases may be required. The study would provide staff with a good understanding of the potential impacts for this area as it develops. Mr. Nichols noted that, regardless of the approval, there is the potential for the developer to move forward due to rules that would allow the expansion if the project is done for the NCDOT.

Following discussion, Commissioner Williams moved to approve the task order with ECS in the amount of \$10,350 for consultant services as presented. The motion was seconded by Commissioner Sykes.

Following further discussion regarding possible impacts, Mr. Shaver stated that the first step in the process would be to get an independent evaluation of what the risks may be, which is the purpose of the study.

Chairman Thompson called for a vote on the motion. The motion passed unanimously (5 to 0).

2. **Utilities - Shallotte Transmission Water Main Change Order #1 (John Nichols, Public Utilities Director)**

Request that the Board of Commissioners approve a budget amendment and Change Order #1 in the amount of \$325,046 and 56 additional days for the Shallotte Transmission Water Main contract with Ralph Hodge Construction Company.

Mr. Nichols explained the difficulty in obtaining 24" diameter PVC pipe for the redundant line around the Town of Shallotte. Due to a fire that resulted in the loss of the plant that supplied a significant amount of the plastics that are used in the pipe, along with flooding that impacted other plants, many suppliers are declaring force majeure events. The contractor has recommended the use of ductile iron pipe in lieu of PVC. The project was bid with an alternate of ductile iron or PVC and the cost of the ductile iron will be less than what was

VII. BOARD APPOINTMENTS

1. **Governing Body - Annual Board Appointments**

Request that the Board of Commissioners appoint Leah McGhee to the Substance Use and Addiction Commission, as the Chief Superior Court Judge Designee, for a 4-year term expiring June 30, 2025.

Commissioner Sykes moved to appoint Leah McGhee to the Substance Use and Addiction Commission as requested. The motion was seconded by Vice-Chairman Forte and passed unanimously (5 to 0).

2. **Governing Body - Appointment of the Clerk to the Board of Commissioners**

Request that the Board of Commissioners appoint Daralyn Spivey to serve as Clerk to the Board of Commissioners.

Commissioner Williams moved to appoint Daralyn Spivey to serve as Clerk to the Board of Commissioners. The motion was seconded by Commissioner Cooke and passed unanimously (5 to 0).

Clerk to the Board Andrea White administered the following Oath of Office to Daralyn Spivey:

OATH OF OFFICE

BRUNSWICK COUNTY CLERK TO THE BOARD

I, Daralyn Spivey, do solemnly and sincerely swear that I will support the Constitution and laws of the United States; that I will be faithful and bear true allegiance to the State of North Carolina, and to the constitutional powers and authorities which are or may be established for the government thereof; that I will endeavor to support, maintain and defend the Constitution and laws of said State, not inconsistent with the Constitution of the United States, to the best of my knowledge and ability; and that I will faithfully discharge the duties of my office as Clerk to the Board, so help me God.

Daralyn Spivey

Attestation:

Subscribed and sworn before me this the 6th day of July, 2021.

Clerk to the Board/Notary

Brunswick County Commissioners

VIII. OTHER BUSINESS/INFORMAL DISCUSSION

Chairman Thompson recognized Commissioner Williams for the donation and presentation of an engraved wooden plaque of Brunswick County to be displayed in a location selected by staff.

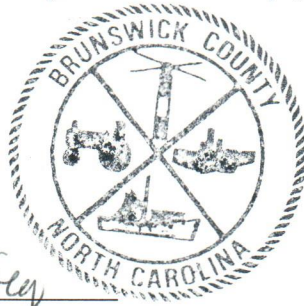

Following the presentation, the Board recognized that the July 6 meeting was the last meeting for Andrea White, Clerk to the Board, as she retires after 30 years of service to Brunswick County, and Jared Galloway, Deputy Clerk, as he moves into full time ministry. Each Commissioner shared their farewell sentiments to both Ms. White and Mr. Galloway, and expressed appreciation of their service.

IX. CLOSED SESSION

1. **Closed Session - Approve Closed Session Minutes and Consult with Attorney**

Request that the Board of Commissioners enter into Closed Session pursuant to N.C.G.S. 143-318.11(a)(1) to approve closed session minutes and 143-318.11(a)(3) to consult with its Attorney.

Vice-Chairman Forte moved to adjourn the meeting at 4:10 p.m. The motion was seconded by Commissioner Cooke and passed unanimously (5 to 0).
